

**FALL 2017 TRAIL CREW POSITIONS
OCTOBER 2nd – NOVEMBER 17th
CUMBERLAND TRAIL STATE SCENIC TRAIL
TENNESSEE STATE PARKS**

The Cumberland Trail State Scenic Trail is seeking qualified candidates for a Backcountry Crew starting the week of October 2nd thru week of November 17th. The Trail Crew will camp & work on the Cumberland Mountain Segment located 40 miles North of Knoxville in Campbell & Claiborne Counties. The Cumberland Trail (CT) will be a 330 mile hiking trail from the Cumberland Gap at the Virginia/Kentucky/Tennessee state corner to Signal Point near Chattanooga.

Job Description:

Trail Crew Members will construct new hiking trail using hand tools in this remote area. They must work with others effectively and safely to complete trail construction & maintenance projects. The Trail Crew will share in camp chores each day. Camping overnight is required.

The work week will be 37.5 hours. The weekly schedule:

Monday - Arrive at the office, transported to the camp location, set up camp, and build trail.

Tuesday thru Thursday – Trail construction

Friday – Trail construction, break down camp, and depart for office

The Trail Crew members will also take turns performing the role of camp keeper, maintaining the camp and performing related duties.

*Weekly schedule subject to change due to weather conditions or logistical necessity.

Skills & Abilities:

Aptitude for physical work in the back country; effectively work and communicate with others, comfortable working and living in the backcountry for days at a time.

Wages:

Crew Member positions \$9.50/hr.

Other Benefits:

Trail training, use of our camping gear, & we provide the food while camping

Application due by September 22nd

You do not need to be available the entire seven weeks to be considered. Schedule flexible.
