

## **Fine Gardening Crew Leader**

Terra Ferma Landscapes

Terra Ferma Landscapes is an established Landscape Construction company seeking a motivated individual to lead one of our Fine Gardening crews. Our company has been in business for twenty five years providing high-end Landscaping services throughout the peninsula, SF and Marin. If you're a hardworking, plant-loving and qualified gardener we would love for you to join our team to continue in this tradition.

### **Job Responsibilities**

- Oversee a crew of semi-skilled gardeners while maintaining detailed property reports that track time spent on site, work performed, materials used and upcoming tasks.
- Irrigation system scheduling, management and repair.
- Driving and maintaining a company vehicle that transports crew, equipment and materials.
- Maintaining gardening equipment and ensure its correct and safe operation.
- Manage plant healthcare; including disease diagnosis and developing and implementing a treatment plan.
- Delegate, perform, and oversee the completion of tasks including: weeding, mulching beds, planting shrubs, trees, bulbs and annuals, skilled pruning, leaf clean-up, and lawn care.
- Exceed manager and client expectations by providing proactive communication and excellent customer service.
- Develop and implement fertilization schedules for a variety of plant material including trees, shrubs, and turf.
